

ONE WEEK ONE GAME

GRAVITY RUSH

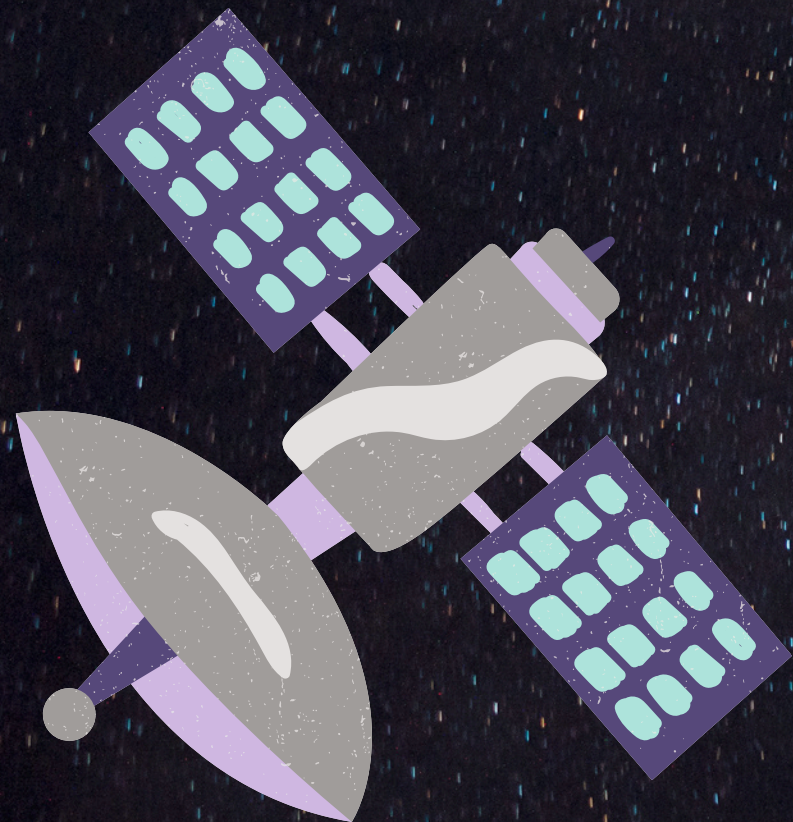

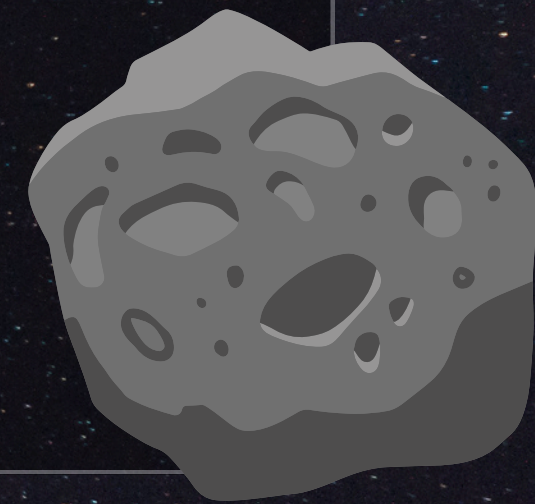

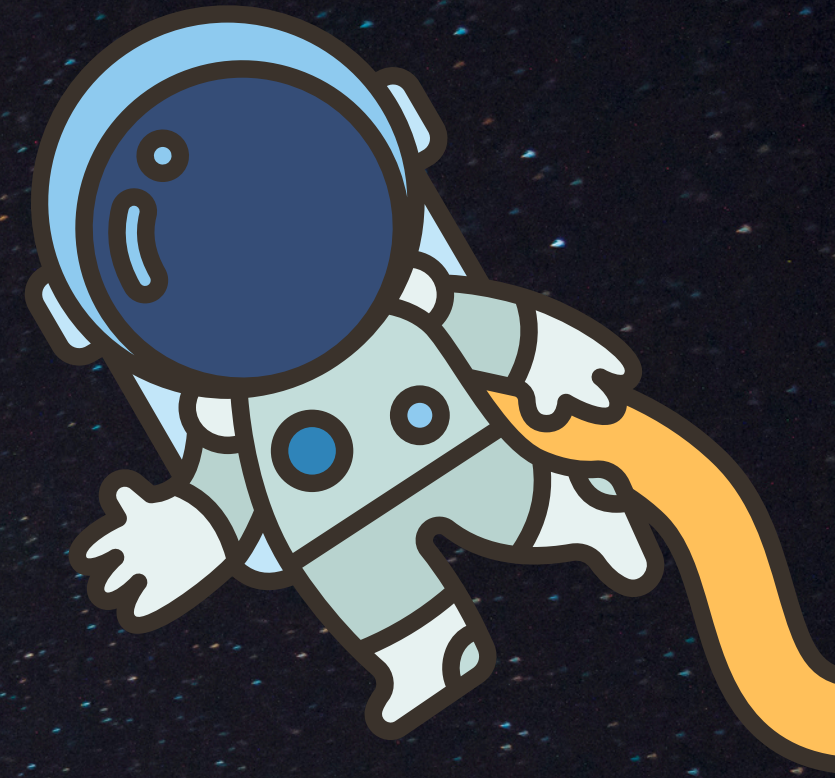

**PRESENTATION BY : LAY JAIN &
JASHAN MOKHA**

GAME IDEA

Idea of the game was to recreate the popular Gravity Guy with the twist of our design. We were looking for a Fun to Play game the difficulty up a notch also with a Local Multiplayer option to play with your friends and family.

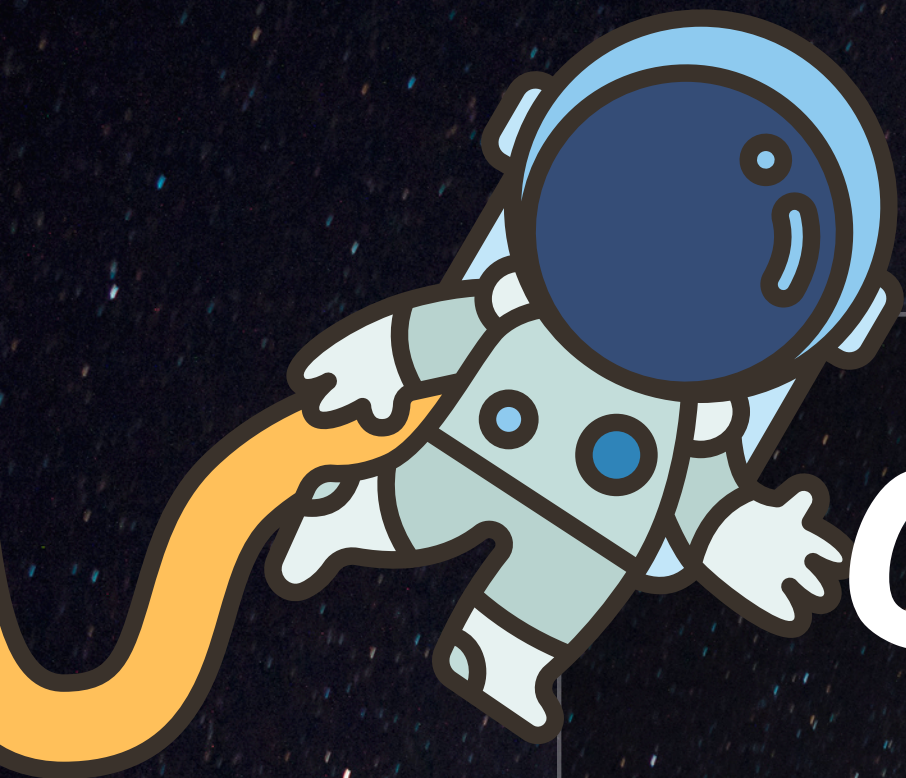

TEAM ROLES

Lay Jain – Local Multiplayer Level , UI and a bit of Programming.

Jashan Mokha – Single Player Mode, Game Designing and Core Programming.

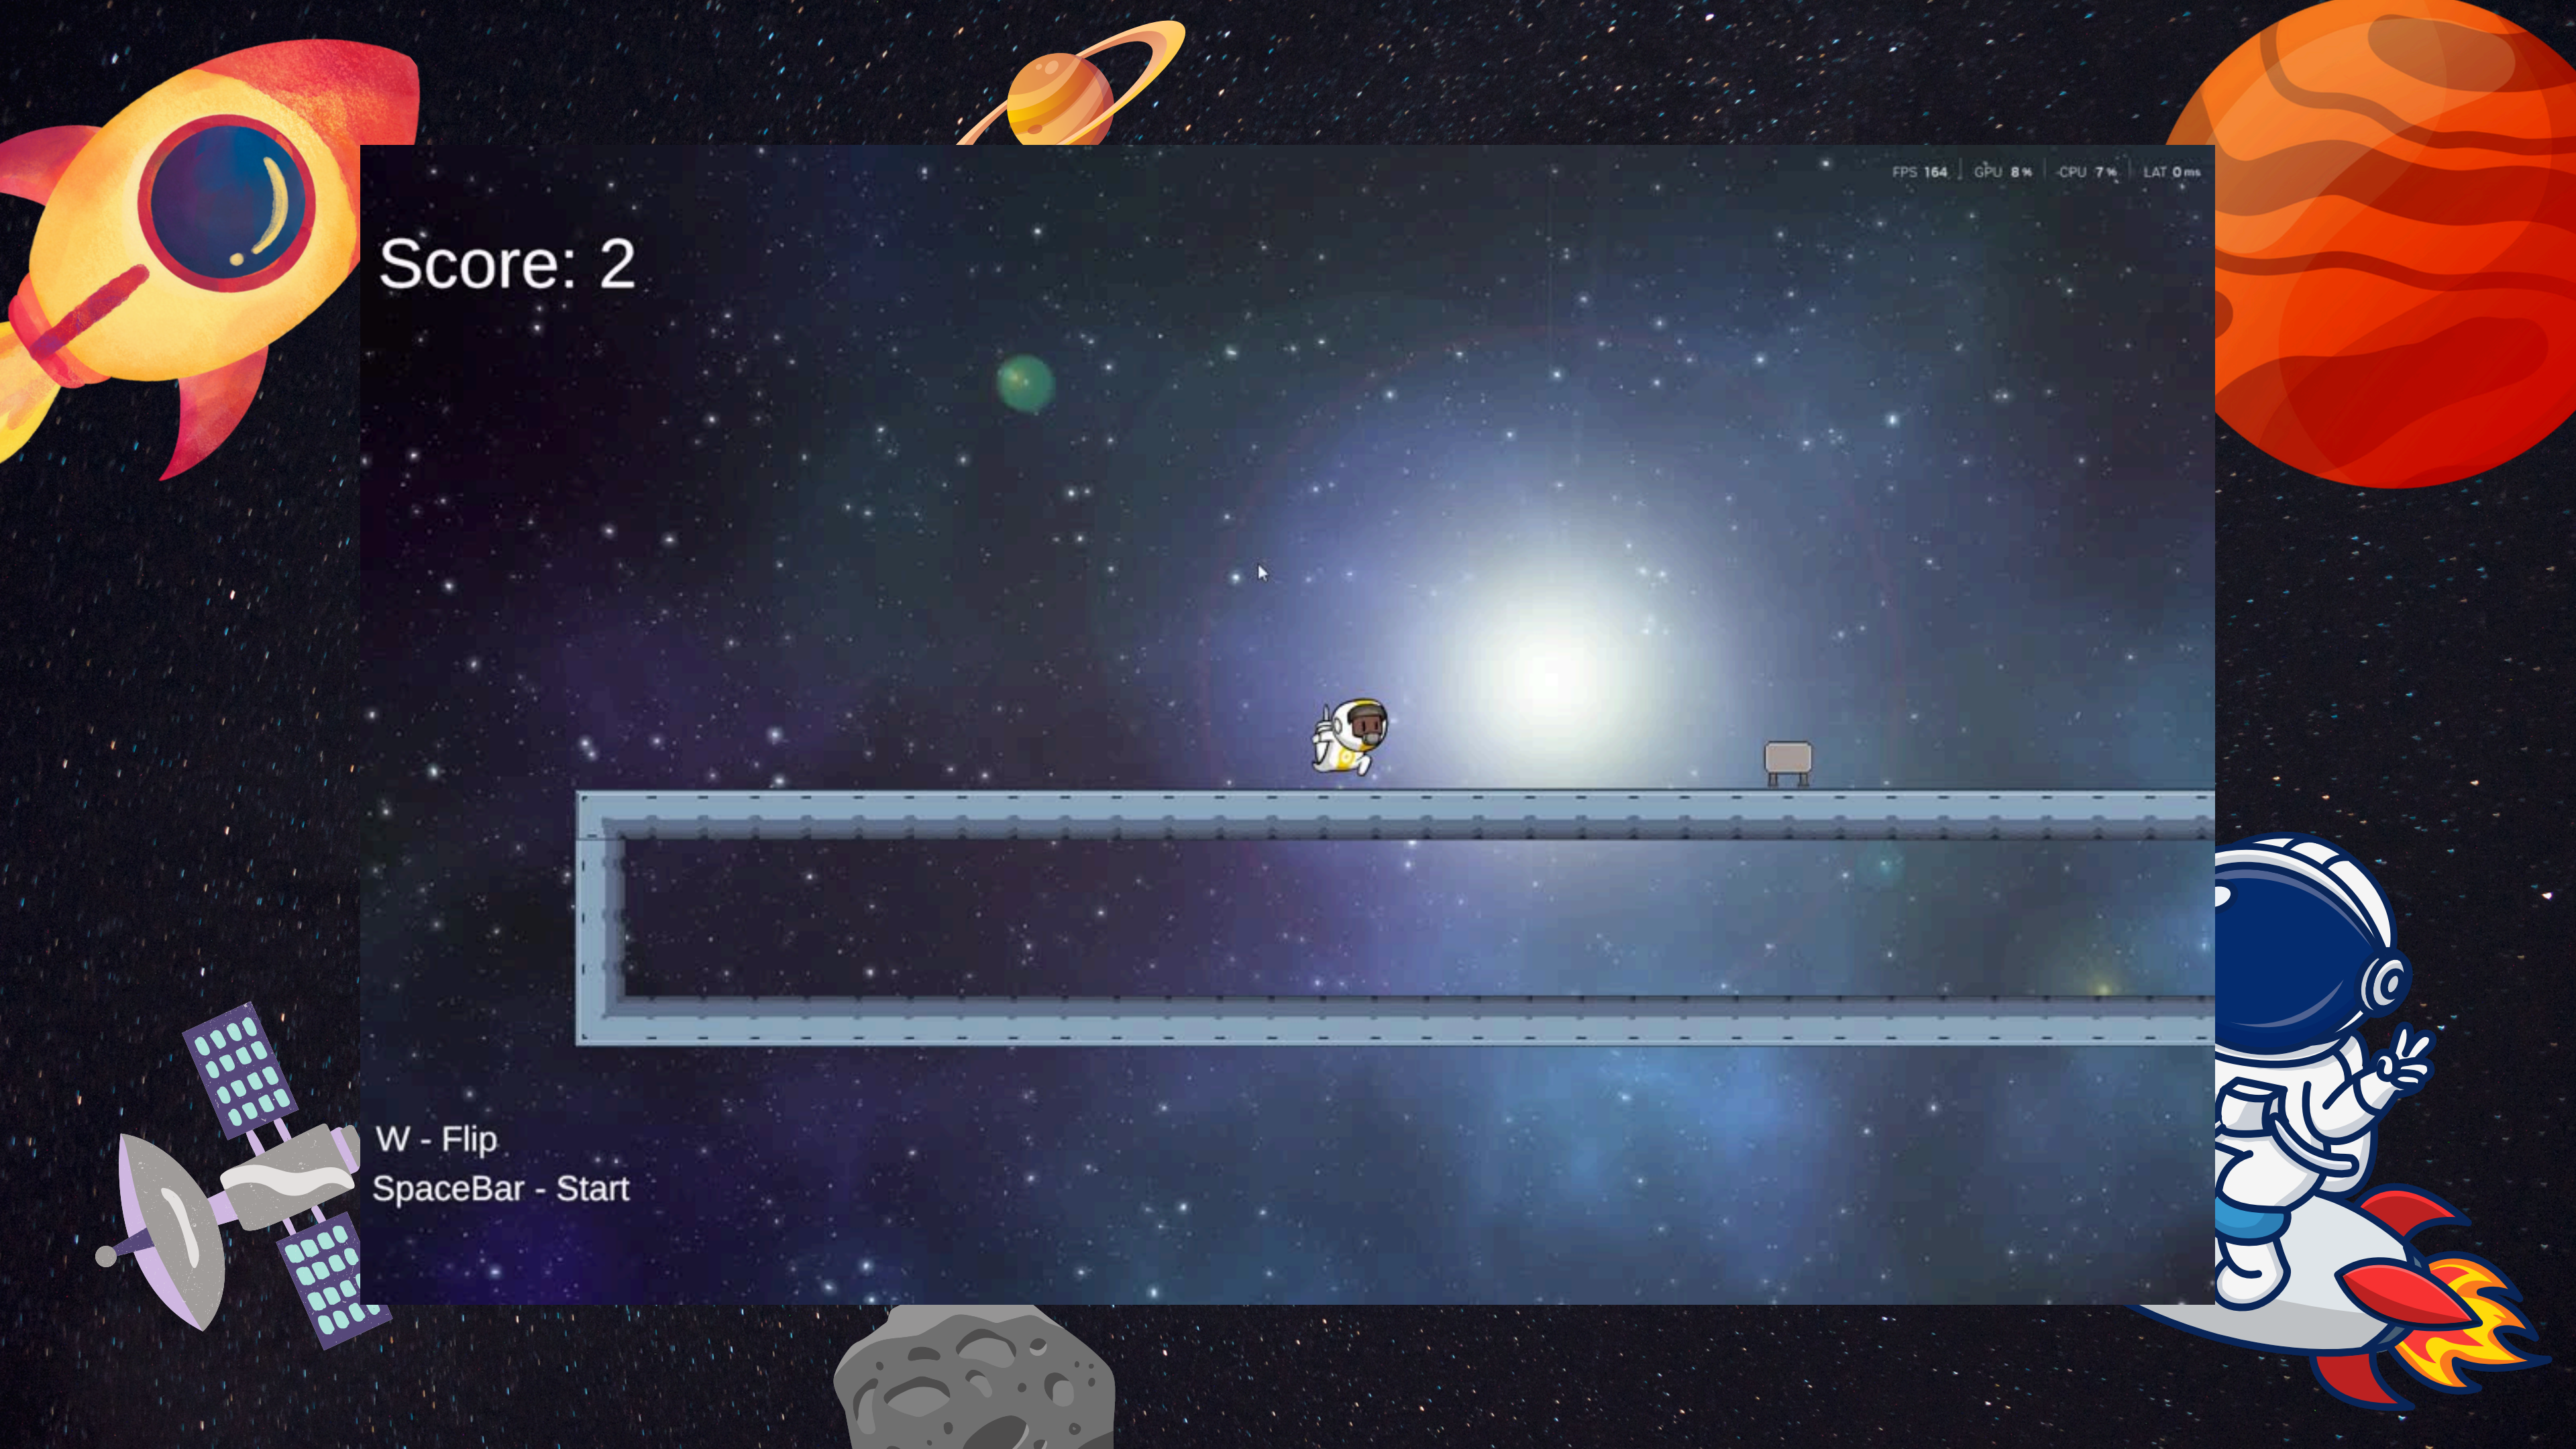

CHALLENGES FACED

Challenges faced -

- **Game Ideas** - Too many Ideas which wasted our First Day.
- **First Idea Failed** - The First Game Idea Failed as We were unable to Implement Gyro Movement for Mobile 3D.
- **Enemy AI** - Enemy Ai idea Scraped as it was as we supposed it should have worked.
